2010 SPOTLIGHT CAMPAIGN
STOP RAPING OUR GREATEST RESOURCE:
POWER TO THE WOMEN AND GIRLS OF
DEMOCRATIC REPUBLIC OF CONGO

Special Speaker

4th Universalist's Reverend Rosemary Bray McNatt

Please join us for an educational presentation about the history of the Democratic Republic of Congo and the current situation, where women are bearing the brunt of a vicious war. We want to raise awareness; activate and motivate the public to put pressure on elected officials; and to inspire others to raise funds for V-Day projects on the ground in the DRC.

V-Day and UNICEF, representing UN Action Against Sexual Violence in Conflict, launched a global campaign "Stop Raping our Greatest Resource: Power to Women in the DRC". The campaign calls attention to the wide-scale atrocities committed against women and girls in Eastern DRC and demands an end to the impunity with which these crimes are committed.
